

School News

Covid-19 School Update

Dear Silver Sands Families,

We hope this newsletter finds you all well and supporting each other during this difficult and uncertain time. As many of you have probably learned yesterday evening, Governor Sisolak addressed the State and announced that schools buildings will not re-open during the 2019-2020 school year, and distance learning will continue for the remainder of the year.

Our sincere appreciation to all of our staff, parents and students, for your amazing dedication to maintain learning via distance education. We understand that the closure of school has had a significant impact on our families, and we will continue to support the needs of our students. Please do not hesitate to reach out to us if you have any questions or need assistance.

We will continue to send out letters to families with any updates via Infinite Campus. We will continue to post all communications sent out by our school concerning the Coronavirus (COVID-19) situation on the homepage of our school website, as well as community resource links, and documents that were shared with us from our state sponsor. We will be starting a Q&A section of the frequently asked questions from our community which we hope will be helpful to everyone.

To keep in positive spirits and have some school familiarity for our students, this week, Student Council's president Maile, organized a Distance Spirit Week. We are having a positive response in participation and have been sharing them with our school community via Infinite Campus, classroom emails, and the school's Facebook page. Keep your spirits up Sidewinders!

In order to reduce the spread of the virus in our communities and state, we continue to encourage our entire community to: practice social distancing by staying at least six feet away from other people, staying at home as much as possible, limiting time in stores, and adhering to any other directives from our public officials. Support each other with grace, empathy, and kindness through this difficult time. We miss you all!

On behalf of the school and our administrative team, well wishes and take care!

Ms. Marlo
Head of School

Upcoming Dates/ Events

- 4/23 Spirit Week-Don't have to be 6 Ft from a good Book Day Thursday
- 4/24 Spirit Week-Pajama Day
- 5/22 Last Day of Distance Ed. 4th Qtr Ends, Sem 2 Ends
- 5/25 Memorial Day Holiday
- 5/28 Last Day for Teachers/Support

SSMCS Administrators and office are teleworking during the hours of 8 a.m. - 4:00 p.m. Monday through Friday. Please contact us by email if you have any questions.

Principal Message

Of all things, love is the most potent.

Maria Montessori

What an adventure we have all been on! And, yet, with all the changes, what Montessori teaches about child development, fundamental needs, and human flourishing has not changed. Rather, it offers us a NorthStar to turn to as we move forward in serving our students and families. And, SSMCS has moved into this new space with commitment, grace and love.

After our initial rush to put together packets and such, we are seeing our teachers and families intentionally focusing on what matters most to our children--belonging and connection to our community, purpose and accomplishment in work. We know this is new for children, families, and teachers, and everyone needs time and grace as they adapt. Families are carrying a lot of the work, and they need support for understanding their children and managing their end of distance learning. I am humbled and awed as I see our students, families and teachers rising to the occasion of completing assignments, and creating new and exciting projects. Please know that we are aware of how hard this must be for everyone and we are here to meet your individual needs as best we can. Our teachers are committed, to the best of their ability, to:

Prioritize social-emotional support to our families and students, creating community and individual connections through whatever means necessary

Work hand-in-hand with parents to offer students developmentally appropriate structures that work for both parents and children

Commit to these structures fostering functional independence, and balancing freedom with responsibility

Create rich choices in lessons, projects, research, experiments, reading buddies, discussion groups, circle time, and song to provide experiences that are interactive, connected to community, and personally meaningful to students

As Governor Sisolak has stated, "We are all operating under challenging circumstances, and I am proud of our educators for coming together to find creative solutions to ensure students can continue learning despite school closures."

This time will pass and we will return to our classrooms. At times we fear what students may have lost academically, emotionally and spiritually. But when we open our ears and hearts to the creativity, ingenuity, dedication and love this SSMCS Family is showing up with every day, we are also buoyed by the hope in newfound ways of connecting, learning, and adapting.

Thank you for your patience, support, and love during this chaotic time. Please do not hesitate to reach out to your child's teacher(s) for any reason at all. We are all in this together and want only the best for your sons and daughters.

**we're
ALL IN THIS
TOGETHER!**

SSMCS Questions & Answers

We have put together some questions and answers that we have received. If you have additional questions that you would like to have answered please send an email to info@silversandsmcs.org with the subject heading of SSMCS Q&A.

General Questions

Q: When will school reopen?

A: Governor Sisolak declared on Tuesday, April 21, 2020 that all Nevada school buildings would remain closed and continue distance education for the remainder of this school year. No additional guidance has been provided for the upcoming school year.

Q: When can I pick up my student's personal belongings?

A: SSMCS is working on a plan for families to pickup any student's personal belongings. As soon as we have a plan in place we will contact families with additional information.

Q: Are student assignments being graded during distance learning?

A: Yes. Students are being graded on their participation and the process of learning. Each student's grade is being individualized according to their needs and accessibility of internet access and devices. Please contact your child's teacher and they will provide resources and alternate assignments if needed to meet your specific needs, It is very important that your child makes every effort to participate in their learning and show how they are achieving their individual goals.

Q: Will my student be held back next year if they can't complete all the class assignments?

A: Final grades will reflect missing assignments, however, unless you and your teacher talked about retention before distance learning, students will not be held back. Kinder through 5th grade will be receiving their 1-4 rubric assessment for their completed, individualized assignments.

Middle school students are expected to make every effort to participate in their assignments. All assignments are being graded individually according to each child's needs and level of participation. Assignments turned in late will not be penalized. With that said, making little or no effort to complete assignments, students can and will receive a failing mark in that subject area for the quarter. If families are having difficulty getting the assignments completed it is important that you communicate directly with the teachers to request assistance or time accommodations in order to avoid failing any of their classes.

Q: Will I get my deposit returned for the 5th Grade Milestone to SeaWorld?

A: Yes, the deposits will be refunded and mailed to families. As we work from home we are looking for ways to get the checks completed and mailed with a goal of end of May at the latest.

Q: How can I pay for my before/aftercare balance?

A: Notices will be mailed out this week with any balances, payments by check or money order can be mailed to the school: Silver Sands Montessori Charter School, 1841 Whitney Mesa Dr., Henderson, NV 89014.

Q: How do I update my contact information with the school?

A: Please sign in to your Infinite Campus account to update your email, address or phone number. You can access Infinite Campus from the the school website at: <https://www.silversandsmcs.org>. At the bottom right of the main page click on the Infinite Campus portal link. If you have forgotten your user name or password please email Ms. Helen, school registrar, at ms.helen@silversandsmcs.org or Ms. Danette, Director of Operations at ms.danette@silversandsmcs.org.

Q: How do I complete enrollment or re-enrollment?

A: We will be working on completing enrollment for any new students that have been selected in the school lottery. We will send any required documents in the mail and set up procedures for payment of the Special Programs and Materials Fee.

Services to Children with Disabilities**Q: Who do I contact regarding special education IEP's/504 Plan and related services questions?**

A: Email Kim Hodge, Special Programs Administrator ms.kim@silversandsmcs.org

Q: Will my child continue to receive a free appropriate public education (FAPE) during a school closure caused by the COVID-19 outbreak?

A: Individuals with Disabilities Education Act (IDEA) mandates that all eligible students have a right to a free and appropriate public education (i.e., FAPE as articulated in an IEP) even in times of crisis. Services will continue using the distance learning virtual/online platform. In the event, that those services cannot be provided virtually, compensatory services will be provided when school re-opens.

Q: Will IEP meetings be held during the COVID-19 outbreak?

A: Yes, Individualized Educational Program (IEP) meeting will occur virtually/online/phone, as needed.

Q: Will my child continue to receive speech therapy and/or occupational therapy during the COVID-19 outbreak?

A: Services will continue using the distance learning virtual/online platform. In the event, that those services cannot be provided virtually, compensatory services will be provided when school re-opens.

Q: Will my child be receiving the accommodations outline in their IEP/504 Plan during the COVID-19 outbreak?

A: Accommodations, modifications, or other supports will be guaranteed as outlined in the IEP/504 Plan.

Acronym/Definitions:

IDEA- Individuals with Disabilities Education Act

FAPE- Free Appropriate Public Education. Special education laws state that each eligible child with a disability is entitled to a free appropriate public education.

IEP- The Individualized Educational Program (IEP) is a plan or program developed to ensure that a child who has a disability identified under the law and is attending an elementary or secondary educational institution receives specialized instruction and related services.

504 Plan- The 504 Plan is a plan developed to ensure that a child who has a disability identified under the law and is attending an elementary or secondary educational institution receives accommodations that will ensure their academic success and access to the learning environment.

Compensatory Services- IDEA allows, in certain instances, for students with IEP's to receive services retroactively. This can happen when circumstances will not allow for services provision in the ordinary course of instruction.

Calendar Draft

Below is a copy of the **DRAFT** calendar that was submitted and approved by our school board. The calendar is still a draft until it is approved by the Nevada Superintendent of Schools. School is currently scheduled to start on August 10th for students.
