Message from Ms. Sheila

Sunshine Greetings! I am humbled and honored to be the new principal of Silver Sands Montessori Charter School. I can't wait to meet faculty, students, parents and all members of the SSMCS family. I am truly grateful to be given this opportunity and look forward to immersing myself in our school and community. It will be my goal to work with the staff and parents to carry out the school's mission, "To provide quality Montessori education in an environment that encourages a child's love of learning and respect for self, others, community and the world."

I look forward to our growing and learning together.

Respectfully,
Sheila Palombo
